YARIS

BLU Logic Hands Free System, Small Button, Non-JBL, Non-
Navigation

The BLU Logic^{®1} hands-free system integrates with the factory audio system to initiate and answer cellular phone calls, enabling cell phone use that is essentially "hands free". Owners can listen to incoming and outgoing cellular calls through the front factory speakers and a small microphone is designed to capture the voices of vehicle occupants. Incoming calls are answered with the push of a button. Outgoing calls are placed by cellular phone dialing and speaking into the fixed microphone provided. The sound level of incoming calls is easily adjusted up or down with simple, clearly identified button functions.

Note: BLU Logic conflicts with: 1) Audio with JBL is a conflict or 2) Audio with Navigation is a conflict. Please confirm that a knock-out plate is available in the vehicle to mount the switch prior to ordering. This part number does not conflict with satellite radio.

YARIS

Door Sill Enhancements

Stylish and practical, the custom-fit, heavy gauge brushed stainless steel door sill enhancements help protect the vehicle's door sills from unsightly scuffs, marks and scratches that can occur when occupants are entering and exiting the vehicle. Featuring a custom screen-printed vehicle logo, the door sill enhancements add to the vehicle's interior appearance.

YARIS

Cargo Net

Custom-crafted for the vehicle cargo area, the cargo net is designed to hold a variety of everyday items—from groceries to athletic gear—and ensure they don't shift around or tip over. The cargo net features a hammock-style design and durable netting that attaches to defined points in the rear cargo area, making it easily accessible. The cargo net can be installed or detached in seconds, and folds flat for storage when not in use.
